## BUILDING UPDATE

Happy New Year! The building is again open to mid-week activities. See the schedule and calendar below for dates and times of our various Bible Studies. At this time we will continue to require masks for all activities and services.

## AV TEAM

It takes many volunteers to help Sunday mornings run smoothly. We are looking to add to our AV Team. If you are interested in serving with Lights or Slides, please sign up in the foyer on Sunday or contact the church office.

THIS SUNDAY

## COMMUNION

This Sunday we plan to celebrate communion. For those who will be worshipping with us in-person, we have individually packaged communion elements for you. This will help eliminate any unnecessary contact during the communion service.

For those who will be worshipping online you have two options. First, you can simply prepare elements ahead of time to use. Be reminded that they do not need to be anything special. The elements themselves are just a symbol. Or you are welcome to stop by the church sometime this week and pick up the individually packaged elements to use. We will have some available right inside the door of the building. We look forward to celebrating communion together with you this Sunday!

## CHURCH VISION MEETING

If you're a member or regular attendee of Federated, we ask that you join us for our Annual Vision Meeting following the second service on January 31. Our meetings are always low-key and a great way to look back and rejoice in what God has done this past year. It is a great opportunity to look back at 2020 and look forward to 2021.
